The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
H-218, The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Elyria's East Falls Riverwalk Stabilization and Infrastructure Improvement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Elyria located at 131 Court Street, Elyria, OH 44035. The funding would be used for East Falls Riverwalk Stabilization and Infrastructure Improvement Project located along the Black River in downtown Elyria, Ohio. The project is an appropriate use of taxpayer funds because the East Falls Riverwalk functions as a pedestrian transportation corridor that connects residents and visitors to parks, businesses, and community destinations in downtown Elyria.

This project has a federal nexus under Section 5307 and Section 5309 of Title 49 of the United States Code, which authorize federal assistance for transportation infrastructure and pedestrian access improvements.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robert E. Latta
Member of Congress
