The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fisher-Titus Medical Center CT Replacement project in Fiscal Year 2027. The entity to receive funding for this project is Fisher-Titus Medical Center located at 272 Bendict Avenue, Norwalk, Ohio, 44857. The funding would be used for the purchase of a new CT scanner, including applicable installation and construction costs. The project is an appropriate use of taxpayer funds because Huron County's 60,000 residents rely on Fisher-Titus Medical Center to provide high quality care in their rural community.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Robert E. Latta
Member of Congress
