Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
H-218, The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Henry County Hospital MRI Project in Fiscal Year 2027. The entity to receive funding for this project is the Henry County Hospital, located at 1600 E. Riverview Ave, Napoleon, OH, 43545. The funding would be used for an MRI (magnetic resonance imaging) machine. The project is an appropriate use of taxpayer funds because Henry County Hospital is the main healthcare provider for Henry County and surrounding communities in northwest Ohio. A 25-bed Critical Access Hospital. This investment will produce a substantial community benefit by reducing avoidable transfers and repeat imaging, limiting unnecessary travel for patients and families, and strengthening Henry County Hospital's capacity to serve as the region's sole care provider.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robert E. Latta
Member of Congress
