The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Community Recreation Center in Sheffield Lake, OH in FY 2026. The entity to receive funding is the City of Sheffield Lake. The Funding would be used for the construction of an outdoor community recreation center. The project is an appropriate use of taxpayer funds because it will create economic activity, improve lake front connection to trails and other parks, and promote youth development and community building.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robert E. Latta
Member of Congress
