April 21, 2021

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the US-20A/I-745 Interchange project in Maumee and Monclova Township, Ohio in surface transportation reauthorization legislation. The project sponsor for this project is the Lucas County Transportation Improvement District and the project is located at the US-20A/I-745 interchange in Maumee and Monclova Township in Lucas County, Ohio.

The funding is designated for the construction of a new interchange at I-475 and 20-A. The project is an appropriate use of taxpayer dollars and is anticipated to benefit the community by completing the expansion of a corridor linking the I-475 beltway to US-24. The interchange will provide direct access for over 3 million sq ft of industrial/warehouse space, and 12 million sq ft of commercial/institutional properties, fostering current and future economic development.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robert E. Latta  
Member of Congress
